MT One 1,5Lt/h pH - Orp

PERISTALTIC PUMP

Mytho's MT ONE is user-friendly digital combined system with a peristaltic dosing pump and single measurement, enabling automatic dosing and chemical adjustment for above-ground pools.

Features

- Galvanic electrical and measure insulation.
- Three PVDF rollers and Santoprene tubing.
- Installation kit included.
- Wizard Probe Calibration and quality check pH and ORP probes.
- No technical skill required.
- Constant dosing mode.

Technical features

pH measure range: 3,2 ÷ 8,2 pH
Accuracy: ±0,02 pH ; **Precision:** ±0,1 pH
Redox measure range: +400 ÷ +999 mV
Accuracy: ±2 mV ; **Precision:** ±10mV
Body material: IP65 (PP plastic body)
Power supply: 230 Vac 50/60Hz
Display: Seven LED segment
Pump flow rate: 1,5 l/h
Pump backpressure: 1,5 bar

Pool size

- Indoor 5 – 80 m^3
- Outdoor 5 – 60 m^3
